Current Address	**Permanent Address**
1606 St Clair Avenue,	4, Falcon Lane,
St. Paul, MN 55105	Floréal, Mauritius

EDUCATION

Macalester College, Saint Paul, MN   Bachelor of Arts expected: May 2015
Academic Grant: Kofi Annan International Scholarship

Major: Physics
Minor: Computer Science, Mathematics

GPA: 3.5/4.0

Relevant Coursework: Laboratory Instrumentation, Core Concepts in Computer Science, Object-Oriented Programming and Data Structures, Software Development, Theory of Computation

Course in progress: Internet Computing, Algorithm Design and Analysis

Lycée des Mascareignes, Helvétia, Saint Pierre, Mauritius   09/08 – 06/11
French Baccalaureate in Science

EXPERIENCE

DeWitt Wallace Library, Macalester College, *Reference Aide*,   09/12 – 09/13
Provided customer service to patron, troubleshoot computers and printers, used library online and print resources.

DeWitt Wallace Library, Macalester College, *Student Manager*,   09/14 – present
Supervised student aids and assisted staff more directly in the management of the facility.

Pro Five Engineering firm, Quatre Bornes, Mauritius, *Interne*,   07/12 – 08/12
Worked with skilled electrical and mechanical engineers involved in construction projects. Assisted engineers in formatting official tender reports.

Etoile Du Berger Children's shelter, Albion, Mauritius, *Childcare*,   07/12 – 09/12
Volunteered weekly at a childcare center for underprivileged and marginalized youth (mostly orphans), focused on a group of 8 children, mostly under the age of 10.

Macalester College Summer Research Program,   06/14 - 08/14
Worked closely with Macalester College faculty in laboratory. Used Ultrafast Terahertz Spectroscopy to study the properties of monolayer CVD graphene.

PROJECT

SafeWalk Android Application
